WHY PARTICIPATE?

We are more than just a bunch of finely tuned athletes playing the beautiful game of rugby. We are a team...a team of men committed to our community as citizens, to our team sponsors, to each other as teammates, and to the sport of rugby. Without golfers, sponsors and the generous contributions made by our friends, family, partners, vendors and customers, we would not be able to make this event a sucess. We hope you will consider joining us for a fun-filled day!
